

THE TRUE DEMOCRAT.

PUBLISHED EVERY FRIDAY MORNING.

A Sudden Death.

This entire community was shocked on Monday by the news of the sudden death of Harry D. Hartt, at Boston, while on his way with his family to visit his former home in New Brunswick.

Mr. and Mrs. Hartt left their home in this city on what was expected to be a pleasure trip about the 8th inst., and had reached Boston, where he was taken ill, and soon after expired of heart failure.

The deceased was a prominent business man of this city, having succeeded to the ownership of the large furniture business established by his late father in his lifetime, and was making a distinct success of the enterprise. He was a member of several prominent secret societies, and was greatly respected in the business world. He leaves a wife and a young son surviving him, besides several sisters, none of whom now reside here.

Governor's Mansion Talk.

The Gainesville Sun professes to believe that because "the people of Tallahassee are not giving any encouragement to the committee," the Governor's mansion should be built "in some other town."

Very well. Let us suppose that, like the location of the University, the Legislature had inaugurated a sort of parol contest, the prize to be given to the town which got the most votes, or which offered to give the most dollars; and suppose the decision fixed the location of the Governor's mansion at Gainesville. How would the Governor be able to live in it during his term of office and do business at the Capitol at the same time?

Doubtless the Legislature threshed over this phase of the matter, and decided that as Tallahassee was the only place where the mansion could be erected, Tallahassee, with its "cinch" on the location, must be made to pay handsomely for the accident of possessing this advantage—hence the requirement that the city should furnish a site.

The Legislature, however, overlooked one aspect of the scheme, viz: That abroad, among the people of other States, and in the judgment of, perhaps, nine-tenths of the inhabitants of Florida, that body, by imposing that requirement upon Tallahassee, in effect declared the State of Florida to be a pauper and a mendicant, and its inhabitants to be grafters, eager to get "something for nothing," and ready to "pinch" a victim whom they believe to be helpless.

So far as The True Democrat is concerned in this Governor's mansion matter, we shall not be sorry if the legislative hold-up fails of its purpose. We predict that, if no further steps are taken by the people of the city to carry out the onerous provisions of the act of 1905, the next Legislature will enact an honest, reasonable law, and provide for the purchase of a site and the erection of a mansion without such law possessing a single suspicious or unjust feature.

Herbina

Renders the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink. G. L. Caldwell, Agt. M. K. and T. R. R., Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbina. It has made me sound and well." 50c. For sale by all druggists.

The Kindergarten.

A kindergarten in connection with the Tallahassee Graded and High School will be opened Wednesday, September 2. It will probably be conducted in the same place as last year (room in Leon Hotel).

By act of the last Legislature county board are empowered to establish kindergartens under certain conditions. Our county board has elected Miss Daviess, who so efficiently conducted the work last year, to fill the position. The board will pay the salary, and in view of having the new building on their hands, the Woman's Club will assume the other expenses making the tuition free. For further information, see Mrs. W. L. Moor, secretary of the kindergarten committee, Woman's Club.

We trust that all parents who have children of kindergarten age will avail themselves of the opportunity offered in having two free kindergartens in Tallahassee this year—that in the county school, conducted by Miss Mattie Clark Daviess, a graduate of the Louisville Training School, Kentucky; the other, the model kindergarten in the normal department of the State College for Women, directed by Miss Annie Chaires, a graduate of Miss Von Wagner's school, New York.

THE WOMAN'S CLUB.

Unnecessary Expense.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe and dangerous cases and no family should be without it. For sale by all druggists.

Another Sudden Death.

"Ed. Crawford is dead!" The shocking announcement was made about noon Tuesday by telephone from the residence of Private Secretary Brown, just across the street from the Crawford residence.

Mr. Crawford had just returned the evening before from Live Oak, feeling somewhat unwell, having suffered all day from fever, but Tuesday morning he ate a tolerably hearty breakfast, and later was sitting reading when attacked by a severe pain over the heart. This growing worse, Mrs. Crawford assisted him to lie down, and sent for a physician, but before the arrival of the doctor he expired. The cause of his death was stated to be heart failure.

Mr. Crawford was one of the most widely known citizens of Florida, having been prominent in commercial, political and official circles for several years. During the past two years he has been connected with the office of the State Auditor, and was recently appointed Assistant Auditor under an act of the Legislature of 1905. He was in the 51st year of his age, and leaves surviving as his immediate family his wife, who was a Miss Fleming of this county, and four children, his aged mother and a brother, Mr. Anderson Crawford, who resided with him, and is employed as a clerk in the Auditor's office.

Edwin A. Crawford was a man of exceptional character and ability, and possessed a large circle of friends and his services to the State and to his fellow men will be sorely missed.

Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, pastor of the first M. E. church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." For sale by all druggists.

Mr. Chas. G. Myers came up from Lanark Tuesday, where he left his family for a season.

Mr. George B. Perkins is on the Gulf coast with Mr. Alex. McDougall and others, to enjoy the Gulf breeze and salt air for a few days.

Mrs. J. G. Collins and daughter, Miss Susie Black and Miss Mary Strickland, who spent several weeks pleasantly at Panama Springs, returned home Tuesday.

Cures Sciatica.

Rev. W. L. Riley, L. L. D., Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation." 25c, 50c, \$1.00. For sale by all druggists.

Stop that Cough.

When a cough, a tickling or an irritation in the throat makes you feel uncomfortable take Ballard's Horehound Syrup. Don't wait until the disease has gone beyond control. Mr. and Mrs. J. A. Anderson, 354 West 5th St., Salt Lake City, Utah, write: "We think Ballard's Horehound Syrup the best medicine for coughs and colds. We have used it for several years; it always gives immediate relief, is very pleasant and gives perfect satisfaction." 25c, 50c, \$1.00. For sale by all druggists.
